

American
Century
Championship

PLEASE HELP US HELP BOATERS KEEP LAKE TAHOE SAFE AT AMERICAN CENTURY CHAMPIONSHIP, JULY 8-12

*Hey Tahoe, let's do it right and set an example on national tv to
celebrate responsibly and safely.*

**Please follow these healthy social distancing guidelines to keep
everyone safe:**

- **Maintain space between all boats – do not tie up together.**
- **Do NOT disembark from boats when adjacent to the golf course.**
- **To maintain social distancing, no one can be allowed on the beach.**
- **For everyone's safety and enjoyment please cooperate with beach security personnel.**
- **Like a life jacket, bring a mask.**
- **Please remind each other to "Party smartly".**

**With COVID-19, we have to take precautions from the traditional
scene between fans and players:**

- **Please refrain from throwing balls or other sports memorabilia to celebrities to autograph.**
- **Players will not be allowed to retrieve objects to maintain safe handling and reduce "touches".**

Please stay safe. Thank you.
