Early player commitments for the wildly popular event include longtime favorites Charles Barkley, Justin Timberlake, Tony Romo, Ray Romano, Larry the Cable Guy, and Northern California sports stars Jerry Rice, Steve Young, Aaron Rodgers, Derek Carr, Charles Woodson, and Robbie Gould.

The tournament's format and setting perfectly complement the informal Tahoe vibe among players and gallery as evidenced by the setting along the beachfront par 3, 17<sup>th</sup> hole. Fans on boats line the hole from tee to green to enjoy good-natured bantering with the players as they shoot free throws at the temporary basketball hoop adjacent to the tee box and toss footballs and souvenirs to the assembled gathering. Last year established a record attendance of over 67,000 making memories during a week of luminaries, golf, spectacular scenery, and a vibrant nightlife scene at the Stateline casino/resorts.

The tournament will feature more than 80 sports stars including Hall of Famers from the NFL, NBA and MLB, active and retired players and Hollywood actors, comedians and entertainers. The three-day, 54-hole event includes a \$600,000 purse, with \$125,000 going to the winner, plus a charity component for local and national non-profits. Three-time champion Tony Romo will be back to defend his title, captured last year on the second hole of a three-person playoff.

The 2023 American Century Championship will utilize the Modified Stableford format whereby points are awarded by score per hole. Edgewood Tahoe Golf Course, a George Fazio design, is rated by Golf Digest Magazine as one of "America's Top 100 Golf Courses."

American Century Investments, the title sponsor of the championship since 1998, will celebrate its Silver Anniversary as title sponsor this summer as it continues its role in partnership with NBC Sports, the Lake Tahoe Visitors Authority, Edgewood Tahoe Golf Course and the South Tahoe community.

Since its inception in 1990, the American Century Championship has donated more than \$6 million to local and national non-profits.
